Account Claiming - GaConnects Staff Deployment

Overview

For districts who do not currently utilize ClassLink Launchpad, “Account Claiming” is the process whereby users will verify that they are in fact the owner of the email address being used to verify the account, as well as setting up Multi-Factor Authentication and password reset security questions. Once the accounts have been created, users will need to access the platform by navigating to https://gcstaff.gadoe.org.

Set-up

Steps

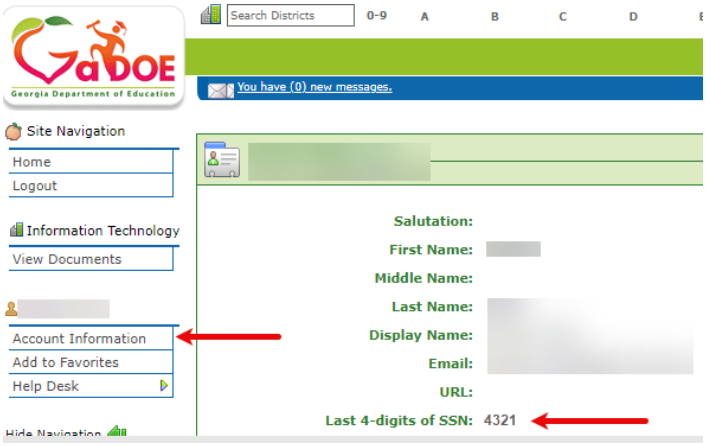

1. Navigate to https://gcstaff.gadoe.org
2. To claim your account, click the green “Click HERE” button at the top of the page

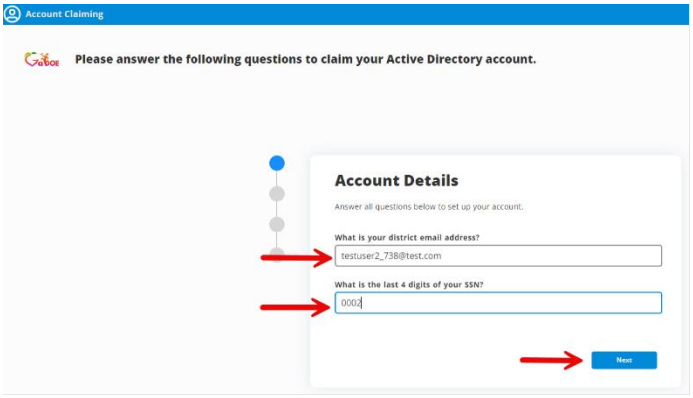

3. On the next page, enter your district email address in the first field, and the last four digits of your SSN in the second field. IF you have an account in both MyGaDOE Portal as well as your

district Student Information System (PowerSchool, Infinite Campus, Aspen, Synergy, etc...) **THE SSN RECORDED IN MyGaDOE Portal IS THE ONE FOR WHICH YOU WILL NEED TO ENTER THE LAST FOUR DIGITS.**

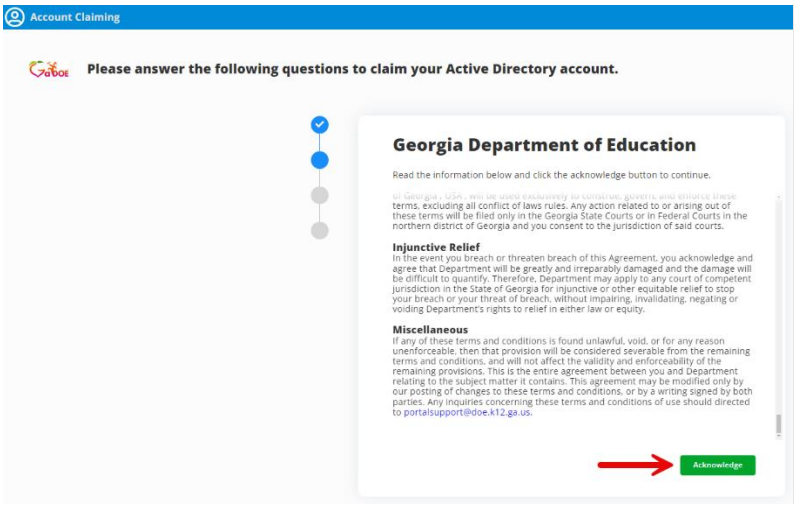

If you are unsure of where this is found in portal, you can log in, go to the Account Information tab on the left, and find the "Last 4-digits of SSN:" field on the right

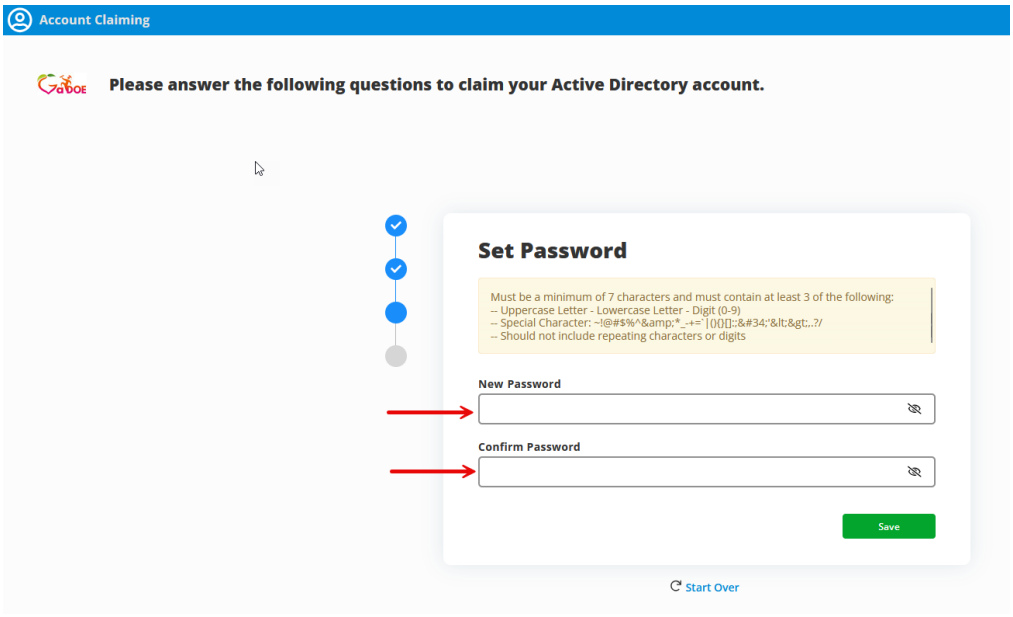

4. Then click the "Next" button.

5. Read and acknowledge the GaDOE GaConnects Staff Terms of Service by clicking the green "Acknowledge" button.

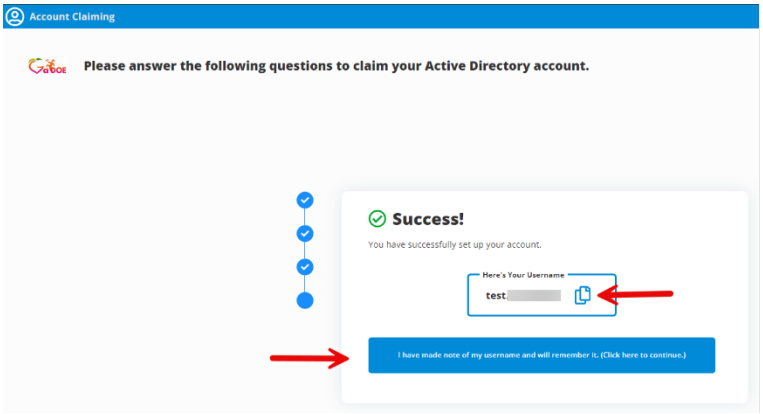

6. Create and confirm your password. The password should match the following complexity requirements.
    a. Must be a minimum of 7 characters
    b. Must contain at least one character each from the following three categories:
        i. Uppercase Letter
        ii. Lowercase Letter - Digit (0-9)
        iii. Special Character from the following: ~!@#$%^&*_-+=`|(){}[]:;"'<>,.?/
        iv. Should not include repeating characters or digits

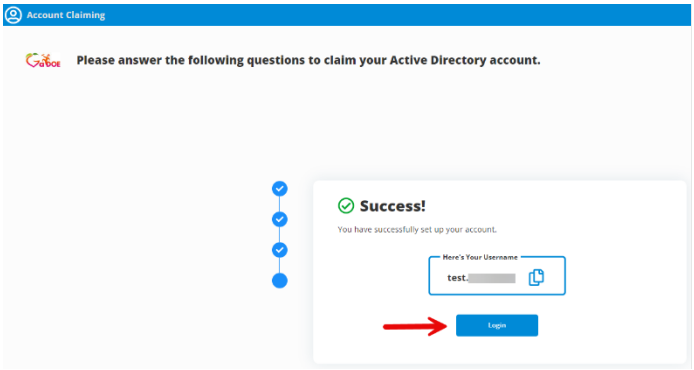

7. Click green "Save" Button

8. Note your username, and if you wish, use the copy button to copy your username. Once you have either noted, or copied, your username, click the large blue button below with the text "(Click here to continue)."

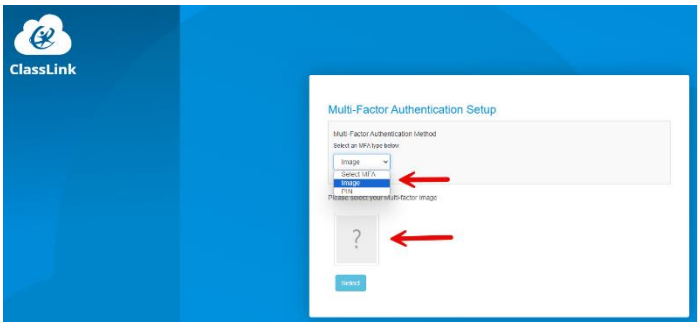

9. Click the blue "Login" button

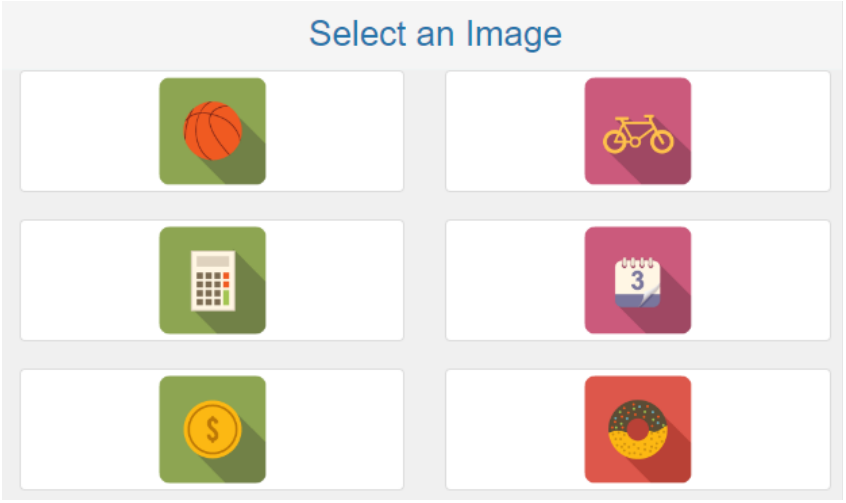

10. This will take you back to the original login page. Here you will either key in, or paste, the username you were just given into the “Username” field, and enter the password that you just created into the “Password” field. Click the blue “Sign In” button.

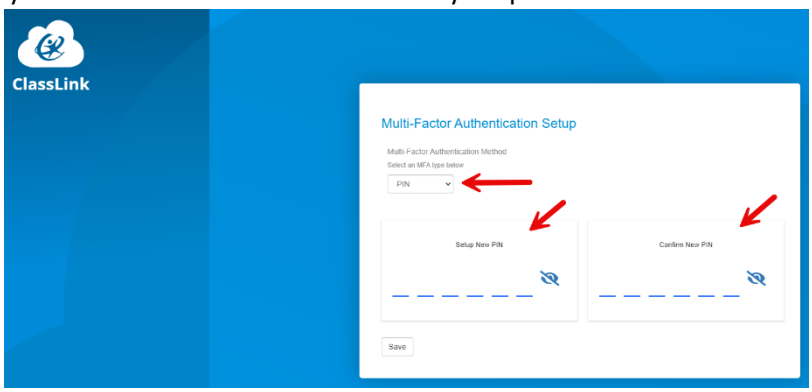

11. On this screen you will need to select to use **EITHER** an image or a pin number for Multi-Factor Authentication. You will not be able to select both an image **AND** a pin.
    a. If you select “image” you will then need to click the button below with a “?” to select your image. Please remember this image, and do not tell others which image you have selected.

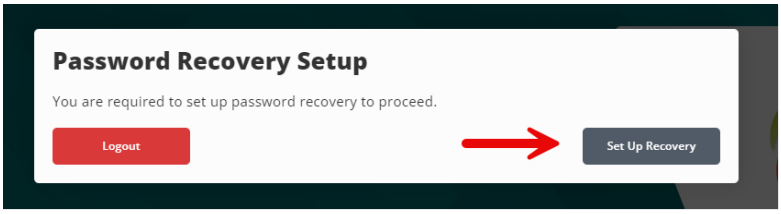

i. You will select an image from a screen like the one shown below

ii. 

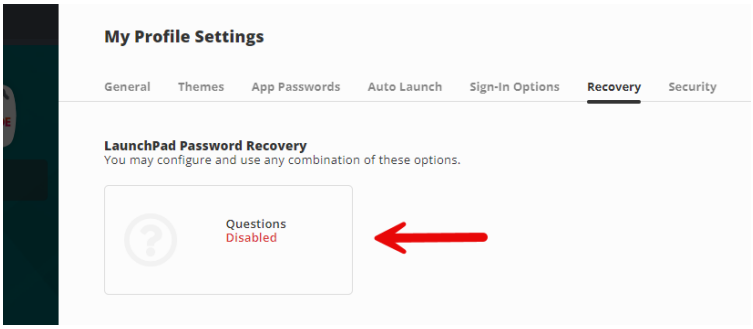

b. If you select “pin”, you will need to create and confirm a six-digit pin. Please choose a pin that you can remember and do not share your pin with others.

i. 

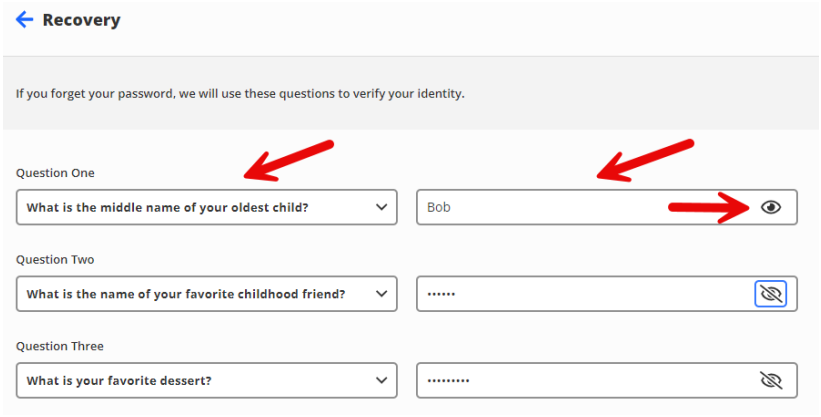

12. Next you will need to set up your password recovery questions. This is a required step and the only option you will have if you do not complete this step will be to log out without proceeding. To set up your password recovery questions, click the grey “Set Up Recovery” button.

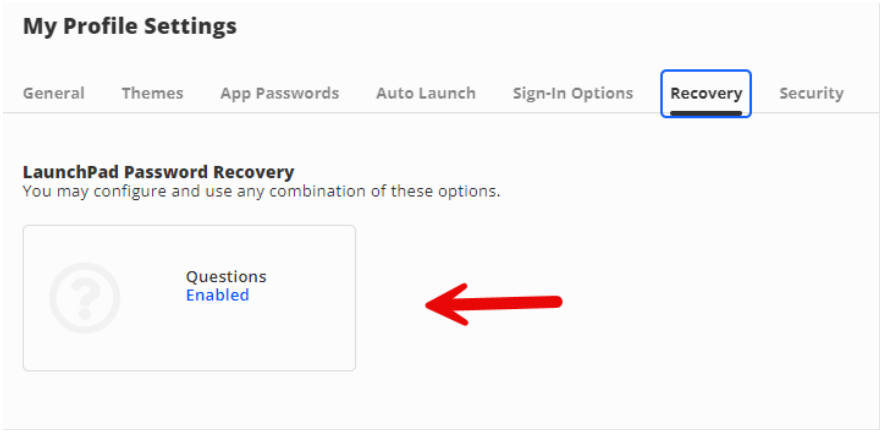

13. This will bring you to the “My Profile Settings” page under the “Recovery” tab. Once here, you will click the large button that says “Questions” and should read “Disabled” in red letters.

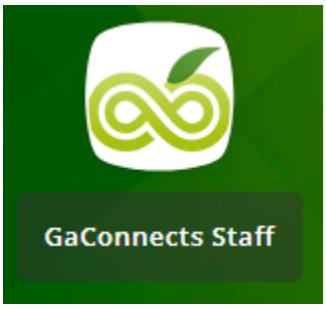

14. You will need to select three unique questions and provide the answer to each. You can click the icon at the end of the answer field to unhide what you typed so that you can ensure that you have entered the information correctly.

15. You should now be back at the “My Profile Settings” page under the “Recovery” tab, but there should now be blue text reading “Enabled” beneath the word “Questions”.

16. This will take you back to the “Launchpad” area, where you will see the “GaConnects Staff” icon indicated below. Click that button to get started, and welcome to GaConnects Staff! Remember to bookmark https://gcstaff.gadoe.org to get to the login page when you are ready to come back.
